

# PLAY DATE

MELANIE MARTINEZ

*Listen to the song and choose the correct form - present simple or present continuous:*

You **call / are calling** me on the telephone, you **feel / are feeling** so far away  
You **are telling / tell** me to come over, there's some games you **want / don't want** to play  
I **'m walking / walk** to your house, nobody's home  
Just me and you and you and me alone

*Chorus 1:*

We **'re / am** just **playing / play** hide and seek  
It **isn't getting / 's getting** hard to breathe under the sheets with you  
I **don't want / want** to play no games  
I'm tired of always chasing, chasing after you

*Chorus 2:*

I **am not giving / don't give** a fuck about you anyways  
Whoever said I gave a shit 'bout you?  
You never **share / don't share** your toys or communicate  
I guess I'm just a play date to you

**Wake / Waking** up in your bedroom and there's nothing left to say  
When I try to talk you **don't / 're** always **playing / play** board games  
I wish I had monopoly over your mind  
I wish I didn't care all the time

*Chorus 1 and Chorus 2: .....*

Ring around the rosy  
I never know, I never know what you **don't need / need**  
Ring around the rosy, I want to **am giving / give** you, want to **am giving / give** you  
What you **need / don't need**

*Chorus 2:.....*

You know I give a fuck about you everyday  
Guess it's time that I **am telling / tell** you the truth  
If I **share / are sharing** my toys, will you let me stay?  
**Don't want / wanting** to leave this play date with you
