

I was cycling when.... (5B- Livebeat 2)

Kiran: Why have you got blue plasters on your knees? What happened?

Jodie: I fell off my bike yesterday **while I was coming** home from Tom's house.

Kiran: Ouch! How did it happen?

Jodie: **I was cycling** down the hill **when** a cat **ran** across the road. I tried to stop, but the road was wet and I fell off.

Kiran: What happened to the cat?

Jodie: The cat was fine. It just ran up a tree. But I cut my knees quite badly and my bike was a mess.

Kiran: How did you get home?

Jodie: Well, fortunately, **while I was picking up** my bike, Dad **drove** past.

Kiran: That was lucky.

Jodie: Really lucky. He put my bike into the car and took me home.

Kiran: So are you ready for three hours of *Romeo and Juliet*? The play starts at two o'clock.

Jodie: I'm fine, but it hurts when I bend my knees.

Kiran: That's OK. We've got standing tickets. You can keep your knees straight.
