Read the text about Ingrid's family

Hi! I'm Ingrid and I'm from Canada. Christmas is a traditional celebration in my house. Every year we have a big party. We invite our grandparents, aunt Astrid, uncle Omar and my cousins Alexia and Bob. Grandma and me decorate the house in red and put candles and stars on the windows. Father puts Santa Claus at the door and my brother and I prepare the green Christmas tree with lots of lights. We usually wear new clothes and mother cooks special food. First, we have dinner. Then, granddad and uncle Omar are in charge of the fireworks. My cousins don't like them because the fireworks are too noisy, but I love them!

After that, we open the presents. And finally, dad opens the champagne and we eat lots of sweets. My aunt Astrid always makes a delicious chocolate dessert.
