

# PLACES IN THE CITY

1.- LOOK AND CHOOSE THE CORRECT ANSWER:

|                                                                                     |                |
|-------------------------------------------------------------------------------------|----------------|
|    | PETROL STATION |
|                                                                                     | TRAIN STATION  |
|                                                                                     | HOTEL          |
|    | HOSPITAL       |
|                                                                                     | MUSEUM         |
|                                                                                     | BANK           |
|   | HOSPITAL       |
|                                                                                     | THEATRE        |
|                                                                                     | MUSEUM         |
|  | TOWN HALL      |
|                                                                                     | HOTEL          |
|                                                                                     | HOSPITAL       |

2- WHERE ARE YOU? LOOK AND MATCH:

I'M AT THE  
TOWN HALL

I'M AT THE  
BANK

I'M AT THE  
MUSEUM

I'M AT THE  
PETROL STATION
