

Younger

Ep.1 s. 1

I haven't worked temporarily

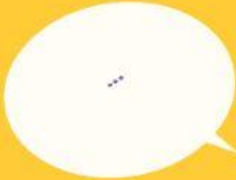

It has been quite a long
pause (break)

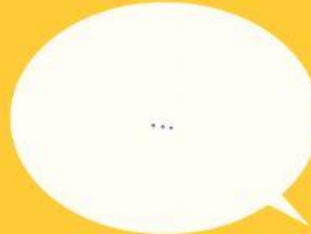

Assistants **in general**
have just graduated
from college

I'm ready **to resume**
my work from the last
point where I had
previously sopped.

Thank's for **explaining**
it in a quick and
simple way

Don't **claim that I've**
said that

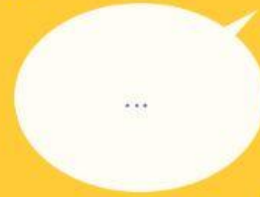

Younger

Ep.1 s. 1

Им нравится
тыкать мне в лицо
моим возрастом

Ты нездешняя, да?

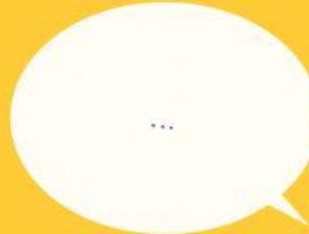

Мы же одного
возраста, плюс-минус

Ты приглашаешь меня
на свидание?

У тебя до 30 лет
паспорт спрашивали

Подумаю, как
облегчить твою жизнь

Younger

Ep.1 s. 1

...

She **is** an unpleasant person

I'm willing to help or defend you

...

You should be **bringing** me coffee...

...

...

... not **trying to persuade me to do something** ridiculous

...

Relax! (Don't be so serious!)

...

We'll **think about it and find the solution**
