

**1 Read the following text. Three sentences have been removed from the text. Choose from the sentences (A-E) the one which fits each gap (1-3) to obtain a logical and coherent text. There are two extra sentences that you do not need to use.**

It was a beautiful day for a sightseeing walk. It was pleasantly warm with a light breeze from the sea. 'What a good idea to arrive a few days before the conference', I thought. When I had received the invitation to attend a cardiological convention in Barcelona, I couldn't wait to go. I had visited the city only once before, many years ago. (1) \_\_ Now I had a chance to see much more of the city.

I was slowly walking along the spectacular La Rambla towards the port. Although it was only 11 o'clock, the promenade was already crowded. I had left the hotel quite early in the morning. I was getting tired and I needed a short rest. (2) \_\_ When the waiter appeared, I ordered a cup of coffee. While I was waiting, I took my phone out of my bag and put it on the table meaning to call my friend, who was also coming to the convention the following day. A group of young boys came over to my table. They were carrying lots of flyers and leaflets, which they spread all over my table. (3) \_\_ My Spanish was just good enough to say 'No, thanks'. Looking disappointed, they collected their things and left. It took me quite a while to realise my phone had disappeared with them.

- A My parents and I had stopped there for one day on our way to the seaside town of Waldorado.
- B I spotted a street café on the other side of the boulevard.
- C I hoped she would join me for the sightseeing.
- D They were saying something that I couldn't understand.
- E It was a big map with some major tourist attractions.
