

HI, AMIGO!

Name: _____

Date: _____

Castanyada

Castanyada is a Catalan folkloric festivity which is celebrated on the 'All Saints' Day. We celebrate it on the 31st.

We eat the typical autumn fruits (chestnuts, *sweet potatoes*, pumpkins, etc.) and other sweet meals (candied fruit and *panellets*). In streets, you can find some stalls where they sell fresh chestnuts and sweet potatoes toasted in the fire.

1.- When do we celebrate Castanyada?

- a) On Christmas Day
- b) On the All Saints Day
- c) On Saturday

2.- What do we eat?
