1 I like scary films that have monsters! They're my favourite.....

2 I love singing and dancing in films. It's boring when there's no music!.....

3 My favourite films are funny films. I want to laugh when I go to the cinema, I don't want to be scared!.....

4 I like films for kids, where there is lots of adventure. There aren't real actors in them, and that makes them better!

5 I like films where lots of things happen and they are very exciting! I think funny films are boring – I want excitement

WORK DONE!
