When you're _____ crunchy apples

or you're _____ up your soup,

when you're eating _____

all on your own or in a group,

when you're _____ up your cornflakes

or you're _____,

or you're sucking at an orange

with such _____ that your mum

says, "Can't you eat more quietly,

that noise is _____!'

It's then you say, 'It's not _____.

I'm eating noisy food.'
