

A DIFFERENT KIND OF FARM

People are always looking for unusual places to visit. One place that is both unusual and fun is a pizza farm.

What is a pizza farm? A pizza farm is a small farm in the shape of a huge, round pizza. It has eight sections of land. Each section looks like a slice of pizza*. The farmer grows what he needs to make pizza on his farm. For example, he can grow tomatoes in one section. In another section he can grow green peppers. In a third section he can keep cows. He uses the milk from the cows to make cheese for the pizza.

When people visit, the owner shows them the farm. He explains what is in each section. Afterwards, he takes the visitors to the kitchen. There they make their own pizzas and then enjoy eating them.

There are pizza farms all over the United States. People come from far away to visit them. Owners of these farms like to have the farms because they earn a lot of money from this unusual idea.
