Activities:

- READING:** Read the following newspaper article about Felix Soto and then answer the following questions.

New Normal, New Job! - Félix Soto

During the lockdown, Felix's job changed too. Five months ago, he was a waiter in "Chifast" restaurant. He still works there, but now he is a delivery person. Before, customers ate in the restaurant and he used to love his job as a waiter. He used to take the food to the customers' tables. **But now,** he delivers food to the customers' homes on his bike.

Before the pandemic, he **used to** take the bus to go to the restaurant. **He never used to ride a bike, but now he rides his bike to work.** He starts work at 11:00am and finishes at 7:00pm. He delivers food all over the city. Felix misses his co-workers and customers, but there are also things he likes about his new job. For example, he loves riding his bike every day. "I **never used to** like sports. Riding a bike every day is like a sport to me." Felix says, "Things have

changed a lot this year, so I had to adapt and change, too

I have learned that delivery people are organized, quick and punctual. I believe that this job is very important in the context of the pandemic. What do you think?

“ Things have changed a lot this year, so I had to adapt and change, too. ”

QUESTIONS: Write T if it is TRUE or F if it is false according to the sentence.

- a) Felix used to be unemployed.
- b) The main idea of the article is that workers have adapted their jobs since the pandemic started.
- c) Felix used to take the food to the customer's tables.
- d) Felix used to like sports.
