

THE LOST CAT

That afternoon, Sarah and Jake **went** out to ride their bikes. They **rode** all the way to the end of their block. When they **got** there, there **was** a park. The children **saw** a lost cat near a tree.

"Oh no," **said** Jake.

"He's lost!" **said** Sarah.

Sarah **got** off her bike and **sat** on the ground near the little cat. The cat **came** near Sarah and **started** to purr.

"Let's take him home!" Sarah **said**.

Jake **walked** back home with the two bikes and Sarah **carried** the little cat.

When they **got** home their mom **called** the animal shelter. Someone has already called and **said** that they **lost** a small cat that morning. Jake, Sarah and their mother **drove** the car to the animal shelter with the cat.

The owner of the cat **was** there waiting. Jake and Sarah **were** really happy that the lost cat **went** home again.

Answer the following questions.

What did Sarah and Jake do that afternoon?

.....
