~~log out of websites~~    share personal information  
use different passwords

# 5 Internet SAFETY TIPS

1 Do you log out of websites after you finish using them?

2 Do you \_\_\_\_\_ on your computers?

3 Do you \_\_\_\_\_ on each website?

4 Do you think carefully before you \_\_\_\_\_ in e-mails?

5 Do you \_\_\_\_\_ online?

**2** Match the questions 1–5 in exercise 1 with the answers a–e.

- a No, I don't! But they're hard to guess, I think. \_\_\_\_\_
- b No, I never write stuff like my address or  
phone number online. \_\_\_\_\_
- c Yes, I do. I have to. We share computers in  
our family! 1
- d Yes, I do on my laptop. But I don't think  
it's necessary on my phone. \_\_\_\_\_
- e I usually do this. But I should be more  
careful sometimes, I think. \_\_\_\_\_
