E- Read the following text and answer the questions:

Hi Neil,

How's it going? I've got some great news. I've got a new flat! It's in a beautiful block of flats in the city centre. It's on the 7th floor so it has a great view of the park from my bedroom. It's a pretty small place, but it's got two bedrooms and it's furnished. There's a nice leather sofa and a beautiful old desk in the living room. I've also got a flatmate. His name is Oliver. We are at university together. He's usually really cheerful and outgoing, and we have fun together. But when he's got lots of work to do, he can be moody. Maybe we can get together and you can meet him one day. Anyway, what about you? Have you got any news?

Victor

Questions:

1. What can Victor see from his bedroom window?
2. What is there in the living room?
3. Who does Victor live with?
4. When is Oliver moody?

F- Writing

Write a paragraph about what you like / don't like doing in your spare time.
