

## Practice for the Reading's Project 2°

**Part 1:** Read the definitions and write the vocabulary word that better completes each one: *ceremony-slip-tumble-grumble- step-crater-icy-jungle*.

1. It's a hole in the earth formed by a volcanic eruption or a meteor:  
\_\_\_\_\_
2. It's to fall with a rolling motion: \_\_\_\_\_
3. It's to lose one's balance: \_\_\_\_\_
4. It's to complain in a low voice: \_\_\_\_\_
5. It's a formal event that is part of a social or cultural custom: \_\_\_\_\_
6. It's a flat surface, usually wood or stone, in a staircase: \_\_\_\_\_
7. It's a tropical forest: \_\_\_\_\_
8. It's something very cold: \_\_\_\_\_

**Part 2:** Read and organize according to the sequence of what happens in the story "The Golden One":

|   |                                                                                                 |
|---|-------------------------------------------------------------------------------------------------|
| 1 | "This is Lake Guatavita!" the guide said, pointing at the green lake.                           |
| 2 | Cloe thought for a moment and began "Well, it means 'golden one'"                               |
| 3 | Lost in thought, Oliver slipped on the wet steps. He tumbled down hillside and into the jungle. |
| 4 | Oliver opened his eyes and looked around the room.                                              |
| 5 | They walked toward the steps. "Be careful", said the guide.                                     |

**Part 3:** Read and answer the following questions about the reading:

1) Where does the story take place? (The setting)

---

2) When does the story start?

---

3) Who are the main characters?

---

4) Where was the family?

---

5) Where was the house?

---

6) How was the weather?

---

7) According to Chloe, what does "El Dorado" mean?

---

---

8) According to the guide, what was "El Dorado"?

---

---

8) What did "El Dorado" have to do during the ceremony?

---

---
