Go getter 1 – Exam 3

Read the text and say TRUE or FALSE

My grandparents aren't in the UK. They're in Italy. Their house is next to the sea. Granny has got a garden. It's in front of the house. Grandad has got an old car and a new car. They're in the garage next to the house.

The house is perfect for holidays. It's got one bedroom for my grandparents, one for my parents and one for me! There's a small bathroom too. The kitchen is the only big room. It's got a fridge, a table, some chairs and an old sofa. And it's got a big television! It's fantastic!

When we visit I usually get up early and help grandma and mum cook breakfast. We always have lunch together and in the afternoon I play with my Italian friends. They are cool!!! I can speak some Italian and they can speak English. We have lots of fun!

In the evening, I have dinner with my family. Then we watch TV. We go to bed at ten o'clock.
