Click on the speakers to listen to the PA announcement and choose the correct words

Attention / Attendance, please! Attention / Attendance, please!
This is your chief / captain with an important advisement / announcement. I retreat / repeat, this is your chief / captain with an important advisement / announcement.

We have a minor fire / flooding in galley / garage deck 5.
There is smoke / stroke in deck 4. Access / Address to the garage decks is protected / prohibited. There is no immediate danger / hazard to our crew / passengers or the ship and there is no reason to be alarmed

For security / safety reasons we request all passengers / visitors to go to their assembly / abandon stations on deck and wait there for further information / instructions. Do not forget to take your lifejackets / lifeboats and blankets with you.

Please follow the instruments / instructions given by the officers / passengers and the crew.
As soon as I have further invitation / information, I will make another announcement / advisement. I ask you kindly to remain calm / cool. There is no hope / danger at this time.
