

Where Do You Live?

1. Read the text:

Hi! My name is Laura. I live at 34 Forest Street in a detached house. It is very beautiful indeed. Have a look!

It is a one - storeyed building with the garden full of flowers. There is a kitchen, a dining - room, a living - room, my father's study, two bedrooms and a bathroom.

Our kitchen is large and comfortable. I always help my mother with

the meals. Our living - room is very cosy too. There is a sofa, two armchairs and a carpet on the floor. Opposite the sofa there is a fire place. The TV set is in the left corner. There are many pictures on the walls. We like to gather here in the evenings.

In my father's study you can see two huge bookcases full of books, a computer, a table and three chairs.

In the bedroom there is a bed, a wardrobe, a bed-side table and a mirror on the wall.

We also have an attic where you can find my room. You can see a sofa, a table, two chairs, a computer, a bookcase and many modern posters on the walls. There is also a green carpet on the floor. I like my room. I spend a lot of time with my friends here.
