

# Material World

(Taken from SB page 39)

## **Exercise 3. Listen to four people talking about the environment.**

Which person is not concerned about the future of our planet?

Why?

Do you agree?

## **Exercise 4. Listen again and complete the key phrases.**

### Expressing opinions

I'm worried about

It's important that we

We need to stop

We need to start

We need to

I'm quite concerned about

### **EXTRA! Which speaker thinks that...**

Healthy food is too expensive?

People should buy less?

We should do something about pollution and climate change?
