

## Watch the video and choose the correct word.

Meeri lives in Helsinki the capital of (1) **Finland / England / Denmark**. It is the (2) **big / bigger / biggest** city in that country. Around 1 million people live there. So, it is around the same size (3) **than / then / them** Montevideo. Helsinki is also located by the sea, but they do not have “rambla” there. They have a (4) **wonderful /beautiful /espectacular** archipelago there. And in Helsinki they have four seasons as you have in Montevideo, but it is the other way round so at the moment in Helsinki it is (5) **autumn / fall / spring** and you are having spring time in Montevideo.
