

Four Seasons

Watch the video, then drag and place the information in the correct box.

The rain pours down	There is a rainbow in the sky	It brings new life	The trees look green
The wind blows loud	The leaves fall.	There is a warm breeze	There are flowers in the ground
It comes with the heat from the sun	The kids have fun	The leaves change their color	It comes with ice and snow
The climate gets cooler	Days are shorter	It feels a freezing cold	Nights are longer

 Spring	 Summer
 Fall	 Winter
