

# METALLICA

## NOTHING ELSE MATTERS

nothing

So \_\_\_\_\_, no matter how far  
 Couldn't be much more from the \_\_\_\_\_

life

Forever trusting who we are  
 And \_\_\_\_\_ else matters

every

close

Never opened myself this way  
 \_\_\_\_\_ is ours, we live it our way

view

All these words I don't just say  
 And nothing else \_\_\_\_\_

heart

Trust I seek and I find in you  
 \_\_\_\_\_ day for us something new

but

Open mind for a different \_\_\_\_\_  
 And nothing else matters

do

Never cared for \_\_\_\_\_ they do  
 Never cared for what they know  
 \_\_\_\_\_ I know

matters

never

So close, no matter how far  
 Couldn't be much more from the heart

what

\_\_\_\_\_ trusting who we are  
 And \_\_\_\_\_ else matters

Never cared for what they \_\_\_\_\_  
 Never cared for what they \_\_\_\_\_  
 But I know

words

nothing

I \_\_\_\_\_ opened myself this way  
 Life is ours, we live it our way  
 All these \_\_\_\_\_ I don't just say  
 And nothing else matter

forever

know
