WALL OF FAME

Super Mac and Agent 11

1 Super Mac and Agent 11 live in Edinburgh, in Scotland. The city is usually a very safe place.

This city is boring. Nobody needs a superhero. Every day is the same. I always get up early and I always sit at home.

Be patient, Mac. Everyone needs a superhero.

2 Agent 11 wants to make Super Mac feel useful. She's got a plan. She calls her friends.

Agent 27: Can you do me a favour?

Sure.

Is that Agent 99? Please can you help me?

OK.

3 Later that afternoon, Agent 11 looks out of the window.

Mac. Look! It's a robbery.

Hooryay! That person needs a superhero's help.

Quick! Get your cape.

4 Super Mac gets ready and flies down, but his cape gets stuck.

Don't worry. I'm on my way ... Aargh!

Oh, Mac!

5 Super Mac falls onto the ground. Agent 11 stops her friend, but no one sees.

Well done, Super Mac. You're amazing!

Erm, Oh yes. Thank you.

6 A few hours later, Super Mac and Agent 11 are walking by the sea.

I feel a bit better now, but I like to help people twice or three times a day.

Happi! Happi! I can't swim!

Look, Mac! That man needs your help.

7 Super Mac gets ready. He always puts on his snorkel and his flippers before he goes swimming.

Hurry up, Mac!

I'm nearly ready.

8 Super Mac starts to swim, but he doesn't go very far. Agent 11 takes her friend from the water and she goes back to the beach.

Quick! Jump up here.

I'm here!

9 Everyone on the beach thinks Super Mac is the hero.

Thanks, Super Mac. You're the best.

Oh, um ... Thank you.

10 Super Mac is really happy. He feels like a real superhero again.

What a great day, Agent 11! I want every day to be like this.

Yes, you're a real hero ...

... with some help from your friends.
