The castle

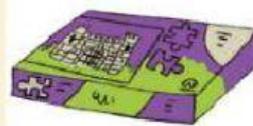

It's hot and sunny today because it's summer. Our class is going to the castle with our teacher. The castle is very old. There's a **1** next to the castle. It's got pencils, cards and guide books. I like the **2** . It's got a picture of the castle on it. I'm hungry! There's a **3** here, but it isn't very good. I've got sandwiches, **4** and a drink for my lunch. After lunch, we can play **5** in the park. I like doing sport!
