Today was to be a big outdoor selebration for my aunt. She had become a doctor. To acomplish this goal, she had to study hard and spend a lot of time away from her family and friends. The only yuth to be in attendance was her daughter. Some relatives felt simpathetic towards her and decided that she should apear and shere in the festivities. There was quite a kalm over this decision .. The event was carefully planned and all participants were to be dressed in flaire. To our astoneshment, the sky darkened, the thunder roared and the rain pounded the earth. We were devastated as our plans were ruined! This was the most horrendous day in our entire lives!
