

1. **READ** and **LISTEN** about the kids' day at the aquarium (Part 2).

3 The rock pool

There was a rock pool with lots of starfish and crabs. The starfish were orange and brown. They were my favourite sea animals. They live in the Atlantic Ocean and the Mediterranean Sea. They've got five arms and two stomachs. Their mouth is under their body.

Which do you prefer, turtles or sharks?

Sharks!

4 Shark lagoon

There was a shark lagoon at the aquarium. There was a big shark. It was a leopard shark. It was brown, black and grey and its body and head were long and thin. Leopard sharks live at the bottom of the sea and they eat crabs and small fish. The sharks were Konrad's favourite sea animals.
