

I (1)\_\_\_\_\_ (not know) what to think of my brother Tom. He (2)\_\_\_\_\_ (live) in London where he (3)\_\_\_\_\_ (have) a small flat not far from the city centre. He (4)\_\_\_\_\_ (be) a journalist and usually (5)\_\_\_\_\_ (work) from 8 a.m. till 6 p.m. during weekdays. At weekends he often (6)\_\_\_\_\_ (spend) time with his friends. They usually (7)\_\_\_\_\_ (go) out to a pub or a music concert. However, at the moment Tom (8)\_\_\_\_\_ (not work). He (9)\_\_\_\_\_ (enjoy) a few days off work with his new girlfriend Jane. They (10)\_\_\_\_\_ (visit) our cousin George in New York. On Friday they (11)\_\_\_\_\_ (travel) to Los Angeles because they (12)\_\_\_\_\_ (want) to visit Hollywood. Next Sunday they (13)\_\_\_\_\_ (fly) home. It seems to be OK, but I cannot stand one thing. Jane is not Tom's first girlfriend. He had a few partners before but he often (14)\_\_\_\_\_ (split up) with the girl after a few weeks of dating. I am not surprised. He is so disorganized. He (15)\_\_\_\_\_ (always leave) clothes on the floor in his bedroom and is often late. It is so irritating. I hope this time it is going to be different. Tom and Jane (16)\_\_\_\_\_ (love) each other and I think they (17)\_\_\_\_\_ (want) to stay together. I (18)\_\_\_\_\_ (believe) they are a perfect couple. However, Tom must change. I (19)\_\_\_\_\_ (meet) him for a coffee after they come back from the US. He must understand that he cannot continue to be so messy and irresponsible. (20)\_\_\_\_\_ (you / think) our mum should talk to him too?
