Tina (9)

We played 'Find it' once. Each group got some postcards with messages and pictures of famous places on. Then, in pairs, we all had to get up and go and look on the computer to find the name of the place and its country. It was great because I worked with Jo, who's really fast at finding things! We won!

Tom (7)

My favourite game is called 'In the Jungle'. We've played it twice in our sports lessons. We are in the jungle with wild animals and the teacher tells us to do different things like jump very quickly over the river or talk to the monkeys. I like it because it's fast and we don't have to sit still. When I'm at home I like finding answers to my questions about jungle animals on the internet.
