

Choose the right answer to complete this conversation according to the video you watched:

- My story begins/starts when I was a young/child boy.
- You'll be comfy here. In your papa's/mama's old room. I'd do anything for him/her to be here right now.
- Grandma was a tough/soft lady with a big heart. And little by little... she brought me out of my loneliless/sadness.
- Now if you feel that you can't/couldn't go on Darling
- I didn't know it... but there was a dark shadow looming nearby. Witches/Werevolves. They're real. And they hate children.
- Welcome.
- What would you do...if there were mice/mouses...running all around this hotel?
- I would call the exterminator/killer.
- You see, girls? He would exterminate those brats/bats.
- Uh... rats. We would exterminate the rats.
- I feared this was happening. They're here. That means a test/pest is coming.
- Ladies, I have a plan. One drop will transform a child into a mouse...
- Whoa!

- Why are we mouses?
- Mice/Lice!
- Whatever.
- Grandma, it's me.
- Is that you, boy?
- We'll never let you get away with your filthy, evil plot.
- Who's gonna/wanna stop me?
- Doesn't matter who you are... or what you look like... so long as somebody loves/hates you.
- You wouldn't happen to be carrying around a mouse on your purse/person, now, would you?
- A mouse?
- Mm-hmm.
- Why on earth would I be carrying around/a clown a mouse?
