Čitanje s razumijevanjem:	6 bodova
Uporaba jezika:	54 boda
Ukupno:	60 bodova

Task 1 – Reading Comprehension.

You are going to read a text about Terry and Joshua. For numbers 1 – 6 decide whether the sentences are true, false or not given. Write only **T** for **true**, **F** for **false** or **NG** for **not given**. There is an example at the beginning **(0)**. Write your answers on the Answer Sheet.

The story of Terry and Joshua

Something very weird happened to Terry. He never knew he had a twin brother until he started college!

Terry was born in Manchester. His parents could not look after him so he went to live with a family in Cardiff. When Terry was twenty years old, he started college in London. He enjoyed his college life. But one day he was walking home from class, and a student smiled at him. "Hello Joshua!" said the student. "I'm not Joshua," said Terry.

This happened to Terry again and again. People Terry didn't know kept calling him Joshua. It was very strange. One day, when a woman called him Joshua, Terry asked "Why do you keep calling me Joshua?" The woman replied, "You look like my friend Joshua. You have the same face and the same hair. Is Joshua your brother?" Terry said that he did not have a brother called Joshua. But he was interested in this boy Joshua. Finally he asked someone for Joshua's email address.

When Terry wrote to Joshua, he found out that they both had the same birthday, they looked the same and both of them were from Manchester. When Terry went to live with the family in Cardiff, Joshua moved to London to live with a family there. It had to be true! Joshua and Terry were twin brothers!

- Terry always knew he had a twin brother.** (0) F
- Terry and his brother were both born on the same day. (1) _____
- Terry's parents moved from Manchester to Cardiff. (2) _____
- Terry grew up in Wales. (3) _____
