I love big places and my dream house is really fantastic! It's by the sea and it's got a beautiful garden. There's a garage for two cars. What else? Let me think. Oh, yes, there's a fabulous kitchen and a dining room next to it. The living room is very comfortable with a sofa between two white lamps, a bookcase, a big LED TV, a lovely rug under a coffee table and a huge window with a sea view. There are three bedrooms: one for my mum and dad, one for me and one for our occasional guests. And, of course, three bathrooms. In my bedroom there's a beautiful bed with some cushions on it. There's a rug under my bed, a wardrobe and a desk. And on my desk I've got a super trendy laptop, an iPad and a vase of flowers. There are many mirrors on my bedroom walls. I just love them. I dream of a house like this all the time. Perhaps my dream will come true someday!
