Dear Ladies and Gentlemen:

5.

I would like to start up my own pizza restaurant. I surveyed the residents of my community and discovered that 33% of respondents preferred pizza. Only 29% wanted Mexican cuisine, 17% preferred Italian cuisine, 13% would like to eat at a steakhouse, and a small 8% would eat seafood. The results of the survey are displayed in the chart below.

6.

Parts of a Letter

- ☐ Body
- ☐ Signature
- ☐ Company Name
- ☐ Return Address
- ☐ Closing
- ☐ Date
- ☐ Recipient's Address
- ☐ Salutation

I require money to start up my business venture. I would like you to help me with running a pizza restaurant. My restaurant would be unique, as it will offer various toppings, crusts, and sizes of pizza.

Sincerely yours,
