

Round these according to the table directions. The first one has been done for you.

Number	Nearest 10	Nearest 100	Nearest 1 000
567	570	600	1 000
673			
287			
527			
970			

Write these numbers to the nearest whole ten:

1. 47

2. 53

3. 84

4. 75

5. 29

6. 25

7. 32

Look at the units when
deciding whether to
round up or down.

8. 96

9. 124

10. 266
