

FRUITS DOMINO

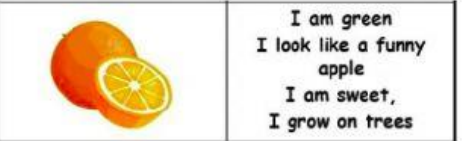

I am yellow.
I am long
I grow in trees.
Monkeys eat them.

I am brown outside
I am green inside
I have many seeds
My skin is rough

I am red and sweet
I grow on the ground
I am good with cream
My seeds are on the outside

I am green
I look like a funny apple
I am sweet,
I grow on trees

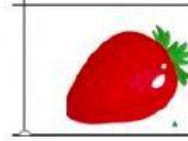

I am small and red
I grow in trees
I can be sweet and sour
My seed is inside.

You can eat me and
You can drink me
I am juicy
I am orange

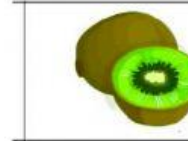

I am green and red
I am round
I am very juicy
You have to cut me open

I am green
I grow on trees
I have smooth skin
I can make a pie.

I am green and small
But I can be red as well
I grow in bunches
I am sweet

I am yellow
I am not sweet!!
I grow on trees
I can make juice.
