

Passenger - Let her go - English lyrics

(chorus)

Well you only need the .....when it's burning .....
Only miss the sun when it starts to .....
Only know you love her when you let her go
Only know you've .....high
When you're feeling low
Only hate the .....when you're missing .....
Only know you love her when you let her go
And you let her go

.....at the bottom of your .....
.....one day you'll make a dream last
But dreams come ...and they go so .....

You see her when you close your eyes
Maybe one day you'll .....why
Everything you .....surely dies

(Chorus)

Cause you only need.....

..... at the .....in the dark
Same old .....feeling in your heart
Because love comes .....and it goes

so .....

Fill the gaps with the missing words

Road **Touch**

Staring (2)

Slow (2) **Understand.**

Hoping **Keep** **Deep**

Ceiling **Fast (2)** **Empty**

Low **Asleep** **Snow**

Touch **Light** **Been**

Home **Glass**

Well you see her when you fall .....
But never to .....and never to .....
cause you loved her too much
And you dived too .....

(Chorus)
And you let her go
Well, you let her go

(Chorus)

(Vocal)

cause you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
And you let her go
