

PART II: VOCABULARY (30 points)

Below are five questions, (9) to (13). In each question there are six items (words or chunks) and three definitions.

In each question, match three of the items 1-6 to the definitions on the right.

Write the number of the item next to its definition, as shown in the example.

(2 points for each correct match.)

Fill in the passage using the words below. There are FIVE extra words.

print • probably • program • protected • proud • proven • provides
purpose • quite • race • rain • raise • reach • receive • recent

Kindness

You can ^{1.}..... think of many times when people were kind to you. Someone may have let you go ahead of him in line, or someone may have shared his umbrella with you when you got caught in the ^{2.}..... . And if you are like most people, it felt good to ^{3.}..... help from another person you didn't even know. But what makes people feel even better than that is being kind to others. In fact, studies have ^{4.}..... that being kind makes you healthier!

This is the idea behind an organization called the Random Acts of Kindness Foundation (RAK). RAK believes in teaching people to be kind because kindness is good for your happiness and health, and it makes the world a better place. The organization has created a ^{5.}..... that can be used to teach kindness in schools, and it ^{6.}..... teachers with lesson plans, games, posters and more, all for free! You can even ^{7.}..... their calendar, which has a different kindness suggestion for every day of the year. And the materials work! RAK makes a difference in schools, making students kinder, happier, and better behaved. The people who run RAK are ^{8.}..... of its success so far, but they are not satisfied yet. They are working to ^{9.}..... as many people as they can. In that way, they hope to ^{10.}..... people's awareness of kindness all over the world.
