

Train - Drive by –

On the other side of a street I
 a girl that like you
 I that's déjà vu
 But I thought this can't be true
 Because you to west L.A or New York or Santa Fe
 Or wherever to get away from me

But that one night
 more than just right
 I you because I was all through
 I overwhelmed and frankly as hell
 Because I really for you
 (chorus)

I to you
 I'll be there for you
 This is not a drive by
 Just a shy guy a 2-ply hefty bag
 to my love
 When you me everything is groovy
 They it sue me
 The way you me
 I to you
 I'll be there for you
 This is not a drive by

On the other side of a downward spiral
 My love for you viral
 And I you every mile you away
 But now here you are again
 So let's skip the "how you been?"
 And get down to the "more than friends", at last

But that one night still the highlight
 I you until I to
 And I was overwhelmed and frankly as hell
 Because I really for you

(chorus)

Please that when I leave
 There's nothing up my sleeve but love for you
 And a little time to get my head together too

On the other side of a street I
 Stood a girl that looked like you
 I that's déjà vu
 But I this can't be true, because...
