

VEGETARIAN PERSPECTIVE

Gap-fill texts - DRAG AND DROP

What would happen to all the animals if everyone went vegetarian, and how would farmers make a living?

FLESH	OVERNIGHT	MEAT	DECREASED	REMAINING	TURN
-------	-----------	------	-----------	-----------	------

People wouldn't stop eating animals _____. As the demand for meat _____, fewer animals would be raised for their _____. If there were fewer of these animals, those _____ would be able to live more natural lives. Farmers would _____ to other types of agriculture – after all, no one who stops eating _____ stops eating!

Are humans natural carnivores?

INTESTINES	THROUGH	HIGHLIGHTED	CARNIVORES	MINUSCULE	DIGESTIVE
------------	---------	-------------	------------	-----------	-----------

This is a much-debated question. Often _____ is the fact that our long, winding _____ make it impossible for us to rapidly expel meat from our bodies as true _____ do. Not only do carnivorous animals have short _____ tracts, they also have claws and long, curved fangs, and they do not perspire _____ their skin. We have flat, flexible nails and do perspire through our skin, and our "canine" teeth are _____ compared to those of carnivores.

Is it OK to eat animals whom we believe to be less intelligent than humans?

BIRDS	INTELLIGENCE	ABUSE	TRUNKS	TYPES	DEW
-------	--------------	-------	--------	-------	-----

One might argue that possessing superior _____ does not entitle one human to abuse another human, so why should it entitle humans to _____ non-humans? There are also different _____ of intelligence: Try navigating using the Earth’s magnetic field as many _____ do, collecting _____ to drink as the desert mouse does, crossing a river on a leaf as ants do or sending signals underground as elephants and (by tapping on tree _____) frogs do.

Humans have eaten animals throughout history. If it were wrong to eat animals, wouldn’t it be illegal?

GUARANTEE	OPRESSION	LABOUR	GOING	ETHICAL	MEAN
-----------	-----------	--------	-------	---------	------

Just because something has been _____ on for a long time doesn’t _____ that it’s right. And legality is no _____ of morality, either. The law changes as public opinion changes. Child _____, human slavery and the _____ of women were all legal and commonly accepted at one time, but that does not mean that they were ever _____.
