3. Read the text about Susan's parents and choose true or false.

My grandparents' names are Rosa and Simon. They are from the U.K. My granny has got long grey hair. Her eyes are blue and she's got a small nose. She's very friendly and nice. Grandpa is short. He's got long hair, too. He's a clever person. He has got big ears but he hasn't got a big nose.

My grandparents aren't in the UK. They're in Italy. Their house is next to the sea. Granny has got a garden. It's in front of the house.

Grandad has got an old car and a new car. They're in the garage next to the house.

The house is perfect for holidays. It's got one bedroom for my grandparents, one for my parents and one for me! There's a small bathroom too. The kitchen is the only big room. It's got a fridge, a table, some chairs and an old sofa. And it's got a television. It's fantastic.
