We **can** / **could** do it, you know. Take off, live in the woods.

They'd catch us.

Perhaps / **Maybe** not.

We wouldn't make it five miles.

Welcome, welcome. The time has come to **select** / **choose** one courageous man and woman for the honor of representing District 12 in the 74th annual Hunger games.

It's your first **year** / **time**, Prim. Your name's only been in there once. They're not going to pick you.

Primrose Everdeen.

Prim! I volunteer! I volunteer as tribute!

Our tribute Peeta Mellark and Katniss Everdeen

They **only** / **just** want a good show. That's all they want.

There's 24 of us, Gale and only one **survives** / **comes out**.

So you're here to make me look **beautiful** / **pretty**.

I'm here to help you make an impression.

And so it was decreed that each year the 12 districts of Panem shall offer up in tribute one young man and woman between the ages of 12 and 18 to be trained in the art of survival and to be prepared to fight to the **death** / **end**.

This is the time to show them everything. Make sure they **remember** / **know** you.

I just keep **wishing** / **hoping** I could think of a way to show them that they don't own me. If I'm going to die, I want to still be me.

I just can't afford to **wish** / **think** like that.

Ten, nine, eight, seven, six, five, four, three, two one.
