

The object of the game is to complete a drawing of a jack-o-lantern before the other players do. Players roll the dice to see who starts. The player with the highest number goes first. You must roll the exact number to draw each item. Each item must be drawn in order. If you can not draw what you have rolled, the turn passes to the next player.

1. draw a circle for the pumpkin
2. draw the stem
3. draw one eye
4. draw the other eye
5. draw the nose
6. draw the mouth
