

Mark,

Please go to Food Basics today. I need some groceries.

I need a loaf of bread, five apples and two bunches of bananas. I also need a 2L carton of milk and a little cheese. Can you also get some rice? I need a 4kg bag of rice. Oh yes, and I need a carton of eggs.

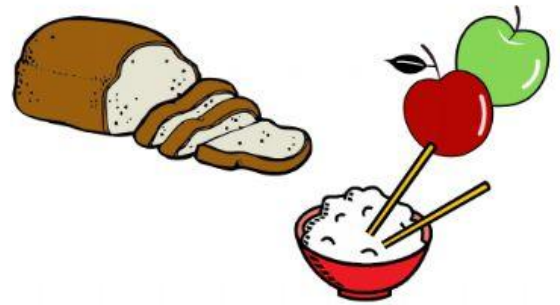

I don't need any onions. We have a lot of onions at home.

Thank you!

-Eva

Read the note. Answer the questions.

Write the answer. Use a sentence.
