## 1. Select the word you hear

Party girls don't get **hurt** **hunt**  
Can't feel anything, when would will I learn?  
I push it down, push it down

I'm the one for a good time call  
Phone's blowing **up** **down**, ringing my doorbell  
I feel the love, feel the love

One, two, three, one, two, three, drink  
One, two, three, one, two, three, drink  
One, two, three, one, two, three, drink  
Throw 'em back till I lose count

I'm gonna swing from the chandelier  
From the chandelier  
I'm gonna live like tomorrow doesn't don't exist  
Like it doesn't exist  
I'm gonna fly like a bird through thought the night  
Feel my tears as they fry dry  
I'm gonna **swing** **swim** from the chandelier  
From the chandelier

But I'm holding on for deer dear life  
Won't look down, won't open my eyes  
Keep my glass full until morning **night** **light**  
'Cause I'm just holding on for tonight  
Help me, I'm holding on for dear life  
Won't look down, won't open my eyes  
Keep my glass on full until morning light

'Cause I'm just holding on for tonight  
On for tonight

Sun is up, I'm a mess  
Gotta Gonna get out now  
Gotta Gonna run from this  
Here comes the shame  
Here comes the shame

One, two, three, one, two, three, drink
