#### What are you doing to help nature?

This year our school, "Edinburgh Castle School" is taking part in the program "Let's Save Nature". This program tries to help both animals and plants in our countryside, beaches and mountains

Animals and plants are disappearing because we humans are not \_\_\_\_\_ (to take) care of them. We are \_\_\_\_\_ (to throw) our rubbish in the sea, on the streets and in the country. The animals are \_\_\_\_\_ (to get) trapped in the plastic bags, or getting ill because they eat plastic wrappers, plants are \_\_\_\_\_ (to die) because we are throwing chemicals and rubbish in the forests. Forest fires are also \_\_\_\_\_ (to kill) thousands of animals and plants.

Our school is now \_\_\_\_\_ (to help). We are \_\_\_\_\_ (to collect) rubbish from the beaches in our city and \_\_\_\_\_ (to tell) people not to throw anything on them. We are also collecting used batteries and others dangerous materials. And you? What are you \_\_\_\_\_ (to do) to help animals and plants? Are you \_\_\_\_\_ (to litter) the beaches and the country or are you putting your rubbish in the correct places? Please, help animals; don't litter.
