ACTIVITY 9: Read the sentences. Each short text describes a food or drink typical from a country. Can you guess what food is it? Match the short texts with the foods below (*chicos tienen que unir los textos que describen una comida con las comidas de abajo, pónganle numeritos a las comidas*)

Key words:

It consists of: contiene

1. This is a typical British food. **It consists of** fried fish and fried potatoes. It is a **savoury** food.
2. This is a typical American food. They eat this type of food very often. **It consists of** cooked meat between two pieces of bread. You can add other ingredients, like tomato, cheese, lettuce, onion, etc. You can add ketchup too. It is a very **greasy** kind of food.
3. This is a very old traditional French dish. **It consists of** a thin pancake. There are two types with different flavours: they can be **sweet** or **savoury**. You can add to them chocolate and strawberries or cheese and ham.
4. This is a typical Mexican food. **It consists of** a tortilla filled with meat and some vegetables. It is very **spicy** since it has red peppers.
5. This is a typical Portuguese food. **It consists of** rice stew made with chicken. It has a lot of vinegar, so it has a **sour** taste.
6. This is a typical Brazilian food. **It consists of** a black beans stew with chorizo and meat. Since it has chorizo, it is very **greasy**.
7. This is a typical Dutch food. It is a sweet dish. They are similar to doughnuts, but the difference is that these are rounded. They are very **oily** because these doughnuts are fried.
8. This is a typical Argentinian drink. **It consists of** a container filled with yerba mate. Argentinian people put hot water in this container and drink it. It has a **bitter** taste. Some people add sugar to it but many people like it bitter.

A. MATE

B. HAMBURGER

C. CABIDELA

D. TACOS

E. FISH AND CHIPS

F. FEIJOADA

G. CREPES

H. OLIEBOLLEN

ACTIVITY 10: Write True (T) or False (F). Rewrite the false ones and make them true.

1. Hamburger is a traditional English food. F ---> **Hamburger is a traditional American food**
2. There are different kind of crepes in France. The most common are savoury and sweet.
3. Cabidela consists of rice and chorizo.

ACTIVITY 11: Answer the questions.

- 1) Which foods in exercise 5 do you like?
- 2) Do you prefer savoury food or sweet foot?
- 3) Do you like mate? Do you drink sweet mate or bitter mate?
- 4) Which of the foods in activity 5 are new to you? Is there anything you think looks delicious?

ACTIVITY 12: Tienen que escribir el nombre de una comida que tenga el sabor que les dice en cada oración (no usen los ejemplos que les dí yo, tienen que pensar en otros)

- A) A food that is savoury:
- B) A food that is sweet:
- C) A food that is sour:
- D) A food that is spicy:
- E) A food that is greasy:
- F) A food that is oily:
- G) A food that is bitter:

ACTIVITY 13: Think of a typical Argentinian food and a typical food from another country. Write a short text for each food. Say whether it is savoury, sweet, sour, spicy, greasy, oily or bitter. Describe its ingredients. Use as an example the short texts in activity 4. (Tienen que pensar en una comida típica de Argentina y una comida típica de otro país y escribir un texto corto para cada comida diciendo qué sabor tiene cada comida y los ingredientes que tiene cada una)

Recuerden usar la estructura **"it consists of"** para decir qué ingredientes tiene cada comida.
