

# Listening, Reading and Writing.

1) Click to listen. 2) Write each word three times.

EXAMPLE:

| community | community | community | community |
|-----------|-----------|-----------|-----------|
| shadow    |           |           |           |
| day       |           |           |           |
| night     |           |           |           |
| morning   |           |           |           |
| afternoon |           |           |           |
| think     |           |           |           |
| ask       |           |           |           |
| stop      |           |           |           |
| people    |           |           |           |
| open      |           |           |           |
