SECTION 2: READING

1. Read the article. Complete the sentences with one, two, three or four words in each gap. Use the skill tip to help you.

THREE STORIES

A Mo'ne Davis Mo'ne is from the USA and she's very good at sport. She loves baseball, basketball and football but her favourite sport is baseball. Did you know that Mo'ne played in the Little League Baseball World Series when she was thirteen? Girls don't often play in the World Series. Mo'ne helped her team to win a big match. Millions of people saw her on TV and she became famous. Later, Mo'ne wrote a book for children about her time as a baseball player.

B Ben Pasternak Ben is from Australia. He was fifteen when he made a colour-matching game called *Impossible Rush*. Over one million people bought the app and played the game. Ben was very happy! Did Ben stop there? No, he didn't. Ben went to the USA. He had another idea. This time he made an app for young people. They can use the app to sell things they don't want, like clothes or books.

C Kiara Nighrin Kiara Nighrin is a young scientist from South Africa and she loves science. South Africa is a hot country. It doesn't often rain. Kiara had an idea to use the skin of oranges to hold water in the fields. It's an exciting idea for farmers. Orange skins can hold a lot of water. When she was fifteen, Kiara wrote an essay about her idea and it won a competition. The prize was 50,000 dollars! Kiara wants to be a scientist or a science writer.

Ex: Mo'ne's favourite sport is baseball.

1. With Mo'ne's help, her baseball team won _____.
2. Mo'ne's book is for _____.
3. Ben _____ because lots of people played his game.
4. After his first game, Ben had _____.
5. Kiara is from _____. She was _____ when she wrote her essay about orange skins.

SECTION 2: LISTENING

1. Listen to the interview with Clare about a competition for young engineers. Complete the notes.

Robotics competition

- 1 Clare and her friend's age:
..... years old
- 2 Clare's friend's name:
- 3 Name of the competition:
..... Robotics Competition
- 4 Colour of the robot:
- 5 How many weeks did they work on the robot?
