Home is where the \_\_\_\_\_ is  
And my heart is anywhere \_\_\_\_\_ are  
Anywhere you are is home

I don't need a \_\_\_\_\_ on a hill  
That overlooks the \_\_\_\_\_  
Anywhere you're with me is home

Maybe I'm a rolling \_\_\_\_\_  
Who won't amount to much  
But everything that I hold dear  
Is \_\_\_\_\_ enough to touch

For \_\_\_\_\_ is where the heart is  
And my heart is anywhere you are  
\_\_\_\_\_ you are is home.

Maybe I'm a rolling stone  
Who won't \_\_\_\_\_ to much  
But everything that I hold dear  
Is close enough to \_\_\_\_\_

For home is where the heart is  
And my heart is \_\_\_\_\_ you are  
Anywhere you are is home  
Home ... home ... home .... home ....
