

THE HEARING

ONE. Look at the picture and put the words from the box in the correct place.

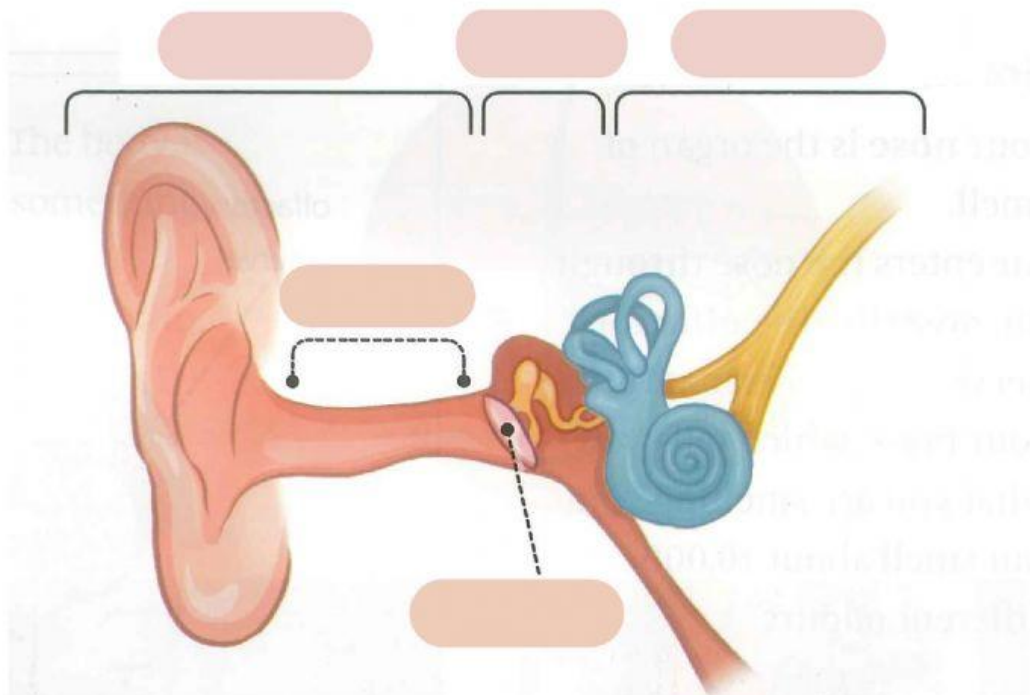

OUTER EAR

EARDRUM

INNER EAR

CANAL

MIDDLE EAR

TWO. Look at the picture and write 1 , 2, 3, 4 next to the correct sentence.

- 1 The waves hit the eardrum in the middle ear and make it vibrate.
- 2 The brain reads the signals and tells you what you are hearing.
- 3 The vibration makes the liquid in the inner ear move and send signals to the brain.
- 4 Sound waves enter through the outer ear.
