

Grace Kelly

Song by Mika

I wanna talk to you

The last time we talked, Mr. Smith

You reduced me to tears

I promise you, it won't happen again

_____ ? (I – attract - you)

_____ with my queasy smile? (I – repulse - you)

_____ ? (I – be – too dirty)

_____ ? (I – be – too flirty)

_____ what you like? (I - like)

I could be wholesome

I could be loathsome

I guess I'm a little bit shy

_____ ? (why – not – you – like – me)

_____ without making me try? (why – not – you – like – me)

_____ like Grace Kelly (mmh) (I – try – to be)

But all her looks were too sad (ahh)

So I tried a little Freddie (mmh)

I've gone identity mad

I could be 

I could be 

I could be  sky

I could be hurtful

I could be 

I could be anything you like

Gotta be 

Gotta be mean

Gotta be everything more

_____? (why – not – you – like – me)

_____? (why – not – you – like – me)

_____ out the door? (why – not – you – walk)

How can I help it?

How can I help it?

How can I help what you think?

Hello, my baby

Hello, my baby

Putting my life on my brink

_____? (why – not – you – like – me)

_____? (why – not – you – like – me)

_____? (why – not – you – like – yourself)

Should I bend over?

Should I look older just to be put on your shelf?

[bridge]

[chorus]

Walk out the door!

Say what you want to satisfy yourself, hey

But you only want what everybody else says you should want

You want

[chorus]

Humphrey, we're leaving

Ka-ching
